

Wrekin View Newsletter

Message from Miss Stephenson

What a busy two weeks already this half term. We have had superheroes in Reception and visitors from the army to talk to our children. It was great to welcome you all to the second parents evening of the year. This gave us the opportunity to share children's books and demonstrate the excellent progress that they are making. It was great to see so many in attendance where teachers, children and parents spoke enthusiastically about the excellent education we provide at Wrekin View.

SCHOOL WEBSITE PHOTOS

On **Monday 18th March**, we will have a photographer in school to take photos for a **new school website**. We will be sending out consent forms to parents who currently do not have consent for their child to be on the school website.

So that we show the school to it's very best, please ensure the children to wear their smart school uniform or PE uniform.

This Week's Attendance

This week has been another fabulous week in terms of attendance. We are pleased that overall attendance is getting closer to our **96% target**. With your continuing support we believe that this remains achievable, and we will continue to provide your children with superb educational opportunities every day. Some children are missing out on part of their education by arriving late to school. The school doors are open from 8:45am. Please make sure your child arrives before 8:55am when the doors close. We are monitoring punctuality very closely and may contact you if we have a concern.

Attendance Matters

Absence Reporting

You can report an absence by either:

- Phoning the school office **01952 388088**
- Leave a Whatsapp message on **07773130159**

Before 8.30am, please give a reason for the absence including symptoms if ill.

There are two registration sessions in a school day so if your child feels better you can send them in later in the day – every lesson counts!

Celebrating Success

We always look forward to our Friday 'Star of the Week' Assembly as it is a brilliant opportunity to see the learning taking place in all the classrooms and celebrate our star workers and star readers. In the school hall there is a display updated each Friday for all the children to see the super stars.
