## Message from Miss Stephenson

I have loved being back in school over the last two weeks. Our wonderful children have had a super offer of education, above and beyond the curriculum. A group of Year 5 children absolutely smashed their Bikeability training and are officially safe on the roads. Our Year 6 children were treated to a morning with a Michelin Starred chef, learning the discipline required to reach high standards and the career prospects of working in the hospitality industry.

### Local Elections

Our school building will be in use on Thursday 2 May for local elections. Therefore, **Wrekin Giants will be closed**. The remainder of the school will be open for all other students Nursery – Year 6.

### Year 6 SATS week

The Year 6 SATS tests are quickly approaching, they will begin from Monday 13 May -Thursday 16 May. To kick start each day, children should arrive at school promptly by 8:00 am, where they will enjoy a breakfast to fuel them for the day ahead. This week holds immense significance in your child's academic journey, as it's their opportunity to showcase their hard work and dedication. All children **MUST** attend school every day and be on time, without exception.

### Calling all budding singers, dancers & actors

Shrewsbury Musical Theatre Co. are producing the musical Nativity later in the year. If you would like to be part, you can register your interest following this link:

# This Week's Attendance

It can be difficult deciding whether to keep your child off school when they are unwell, particularly in the colder months with seasonal illnesses going around. If you do keep your child at home, please remember to call school on the first day of the absence and keep us updated every day after that. Wherever possible children should be in school so that they can receive their education. The NHS has produced a useful guide relating to the different illnesses that your child might experience and whether they are able to come to school in each case:

# Celebrating Success

We have been focussing our Stars of the week on children who have demonstrated 'Resilience' and our value of being 'Successful'. These are key skills that we want all our children to demonstrate so they overcome problems, don't give up, show perseverance with a difficult challenge, resulting in being successful. Well done to our champions below for being great ambassadors:
